

## INDIGESTION AND CONSTIPATION

### Quickly Relieved By "Fruit-a-tives"

Rochester, P. Q.  
"I suffered for many years with terrible indigestion and constipation. A neighbor advised 'Fruit-a-tives' (or Fruit Liver Tablets). I tried them. To the surprise of my doctor, I began to improve and he advised me to go on with 'Fruit-a-tives'."

I consider that I owe my life to "Fruit-a-tives" and I want to say to those who suffer from indigestion, constipation or headaches—try "Fruit-a-tives" and you will get well!"

## ABOUT THE STATE

### HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Thirteen persons in one family in Rip-ton are sick with the grip.

A moose weighing 1,300 pounds was shot in Canada recently by Dr. A. S. C. Hill of Winoski.

Miss Josephine Burns of St. Albans, who enlisted as a Red Cross nurse, has arrived safely overseas.

Dr. D. J. Carroll, a Vergennes physician, has received orders to report at Fort Oglethorpe, Ga., on Oct. 20.

The women alone in St. Johnsbury on Saturday secured pledges of \$28,350 for the Fighting Fourth Liberty loan.

Rev. James S. Braker, who has a leave of absence of three months from the Baptist church of Burlington, during which he has been serving as a chaplain in navy camps near Washington, D. C., expects to return to his church this week.

Rev. and Mrs. Allan C. Ferrin of Springfield have arrived in St. Albans, where Mr. Ferrin has accepted a call to the pastorate of the First Congregational church.

Walter J. Tubbs, who died Tuesday in Burlington of pneumonia, came to Vermont in August, 1916, from New York state to serve as a demonstrator for the University of Vermont extension service.

Information was received in Burlington Oct. 15 that Dr. H. Nelson Jackson was wounded in an arm while serving with his regiment, the 313th infantry. The wound is characterized as being slight. Dr. Jackson sailed for France July 8.

Dr. Harry P. Greene, a Brattleboro physician, has been accepted for United States service and has been ordered to report at Hoboken, N. J. Dr. Greene has asked for an extension of time of two or three weeks. He is a graduate of the medical school at the University of Vermont and has practiced in Brattleboro for 10 years. He is also surgeon for the Boston & Maine Railroad Co.

George O. Ball, who died Tuesday at the home of his parents, Mr. and Mrs. Homer N. Ball of East Ferrisburgh, was taken ill with pneumonia while on the way from his home in Greensboro, N. C., to the home of his parents, to join his wife, and when the train reached Vergennes he had a temperature of 106. Nothing could be done to save his life, as the disease was beyond control.

With the arrival overseas of First Sgt. Robert D. Wakefield, who is with the 37th Pioneer infantry, Mr. and Mrs. F. W. Wakefield of Burlington have four sons in service in France. They are: Lieut. H. P. Wakefield, with the 37th Pioneer infantry; Sgt. Julian E. Wakefield, with the 101st ammunition train, and James G. Wakefield, formerly with the Burlington Drug company, and now with the 79th field artillery.

In the family of Max Brown of Enosburg Falls, the year-old son, Howard, died last week of pneumonia following an attack of influenza. Mr. Brown has recovered from an attack, but there remain sick in the family a daughter and son, also Mrs. Brown's sister, Mrs. Leon Tibbets, who came from her home in East Berkshire to assist in the family, and her husband, Mr. Tibbets, who came to see his wife.

Burlington's condition in relation to the prevailing epidemic is serious. There were so many new cases on Wednesday that the doctors, already working to the limit of their time and strength, were unable to report the new victims. Emergency hospitals are being opened there and in one of these, 18 patients were admitted in one afternoon. Dr. C. F. Dalton of the state board of health considers the danger throughout the state far from being over. Conditions at the University of Vermont are better, most of the 45 cases under treatment being convalescent.

Thomas N. Reed, who died Oct. 6 at his home in Dummerston Center, was 90 years old and the illness that confined him to his bed from Sept. 10 was the first in his life. His wife is still living at the age of 90. Mr. Reed's family all lived to extreme age, his father dying at the age of 85, his mother at 86, his grandfather at 83 and his grandmother at 88. Sixty-four years ago he married Ellen J. Miller. With the exception of a grandchild who died in infancy, Mr. Reed was the first death to break the family circle of four children, five grandchildren and two great-grandchildren.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They take the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. They cure the liver at the expense of the teeth! Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "icky" and "brassy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

## HARDWICK

Hardwick Receives Black Eye Due to Some Erroneous Advertising.

Big glaring headlines on the first page of the Burlington News of Tuesday evening would lead the general public to think that Hardwick was afflicted with a terrible plague, when it said that there were 250 known cases in Hardwick with numerous deaths as a result. Not the least bit of truth in that report. Dr. Pache of the state board of health of Burlington arrived in town Monday night after dinner with Drs. DeCicco and Rabinovitch, two four-year medical students, to act with the local health board in relieving a pressing situation. A meeting was held at the Memorial building, with these doctors, the selectmen and other interested citizens, and a system was devised whereby the town clerk's office was made a headquarters for calls for these doctors, so that when a physician is needed a call to this office will soon have one where desired. One local doctor submitted a list of his patients to the meeting so that conflict of visits in that way can be eliminated. The local health officer at that meeting said that since the outbreak of the epidemic he should judge there had been about 200 cases reported in Hardwick, East Hardwick, Stannard, Walden and Woodbury, so that the report of 250 known cases in Hardwick is entirely false, and not only that, but with the aid these two young physicians are giving the situation is fast being taken care of. There have been eight deaths to date owing to the epidemic, but not more to the fact that it was impossible to secure physicians and to get proper nursing for the patients. Dr. Pache was here again Wednesday noon and expressed himself as satisfied the way things are working out and that it was too bad that there could not be perfect harmony in the local situation. While Morrisville has put an embargo on several towns from coming to that town, there are many cases in Morrisville and surrounding vicinity, according to a reputable physician from there. Hardwick can take care of itself.

Miss Grace Macomber died at the hospital Wednesday morning of pneumonia, following an attack of Spanish influenza. Funeral services were held Thursday afternoon, with interment in Fairview cemetery.

R. H. Blake's family have moved to Swanton, where Mr. Blake has been employed for several months.

The final quadrennial figures have been completed and are as follows: The total real estate as listed by the listers is \$14,499,930, an increase over 1914 of \$110,785.

Mrs. Mae Allen of Rutland is in town helping care for sick relatives.

Austin Doby has moved to Barton, where he has employment.

James Mackie is home from his work in Springfield for a few days.

P. C. Kittredge is home from his work in Springfield for a few days.

Miss L. Hoyt was a visitor in town over Sunday.

Mr. and Mrs. C. W. Mulachy of Boston are visiting relatives in town this week.

Mrs. Lucy Sawyer is visiting relatives in Newport.

W. A. Dutton and family have moved into winter quarters in the Pierce block on Main street.

W. J. Perrin has newly shingled his house on South Main street.

H. G. Lawrence of Springfield is visiting in town this week.

L. L. Prevost is home from his work in Springfield.

Federal Farm Loan Bonds to Be Sold by U. S. Treasury.

Washington, D. C., Oct. 15.—Federal farm loan bonds will not be offered for marketing in the near future, it was announced today by George W. Norris, federal farm loan commissioner. "The proceeds of the bonds sold in June will take care of the loaning requirements of the federal land banks until nearly the end of the present calendar year," he said, "and in pursuance of the general policy of curtailing and regulating security offerings, it is probable that such bonds as the banks may have occasion to sell in the early part of next year will be taken by the United States treasury. These bonds will thereafter be marketed by the treasury at such times and in such amounts as the secretary of the treasury may deem advisable."

## CABOT

W. P. Lance Died After Ten Days' Illness.

On Wednesday morning, Oct. 9, the startling news sped swiftly over the town announcing the sudden death of W. P. Lance at his home at lower Cabot after an illness of only ten days with influenza followed by pneumonia. His condition had not been considered dangerous until a few minutes before his death, when he began to fail so rapidly that the tired body was at rest before any of the family could reach his bedside.

Mr. Lance was born in Woodbury Dec. 14, 1875, and was the only son of Paul and Mary Lance. When 11 years of age he came with his parents to lower Cabot, where he had since lived except one year when he took his family to Leominster, Mass. Dec. 5, 1895, he was united in marriage with Miss Flora Southwick by Rev. J. D. Bailey at South Woodbury. Five children were born to them, the eldest dying when one year old. He was one of Cabot's most industrious and successful farmers. A man devoted to the interests of his family. For several years he was a member of I. O. G. T. lodge, severing his connection when going to Leominster. He will be sadly missed in the home by his companion and four children. He also leaves two sisters, Mrs. J. B. Willis of Mansfield, Mass., and Mrs. H. Bedell of Leominster, Mass. The illness of his only son with pneumonia at Middlesex made this affliction doubly sad, as he was not able to be present at the funeral, which was held on Friday afternoon from his late home, Rev. M. W. Hale speaking words of comfort to the bereaved family. His remains were placed in the family lot in Durant cemetery. Beautiful flowers from relatives at a distance which covered the casket were but mute messages of sympathy.

Card of Thanks.  
We wish to express our heartfelt thanks to all neighbors and friends for the many ways by which they expressed their sympathy in deeds of kindness during the illness, death and burial of our loved one.

Mrs. Flora Lance and family.

Schools did not open Monday as was expected, on account of the prevailing distemper, which is slowly abating.

Mrs. J. B. Willis of Mansfield was called to town last Friday to attend the funeral of her brother, W. P. Lance.

Tyler Dow has returned from Middlesex, where he went last week Wednesday to care for Harold Lance, who was ill with pneumonia at the home of George Crane.

Raymond Farrington is slowly improving from his long illness.

Mrs. George Marr of Williamstown is spending a few days at the home of her daughter, Mrs. Raymond Farrington.

Dr. L. W. Burbank has so far recovered from his recent illness as to begin practicing.

H. A. Dane has purchased the McPhillips place of Late Rogers.

Mr. and Mrs. Hornbrook of Montpelier came to visit their cousins, Mr. and Mrs. Bert Ainsworth, last week.

Mrs. J. M. Southwick was in Middlesex last week Wednesday to see her grandson, Harold, who was ill with pneumonia.

Harold Lance was able to be brought home.

## SAVE YOURSELF FROM INFLUENZA

If you are "run down" or out of condition, if sluggish bowels have allowed poisonous impurities to accumulate in your system you are certain to suffer severely with the grip. Dr. True's Elixir, the famous household remedy of 67 years' reputation, will ward off the grip entirely or make an attack light and easily thrown off. Why? Because Dr. True's Elixir is a vegetable tonic that puts the system in good condition, prevents and relieves constipation, stimulates the appetite and strengthens the digestive powers. It can do no harm because it contains no mineral drugs. All purely vegetable. A tonic—not a stimulant. No reaction. Ask your druggist for it, or write Dr. J. F. True & Co., Auburn, Me.—Adv.

## 50,000 VOICES

And Many Are the Voices of Barre People

Fifty thousand voices—what a grand chorus! And that's the number of American men and women, who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Barre people are in this chorus.

Here's a Barre case:

E. L. Denmore, contractor, Brook and Pleasant streets, says: "Several years ago, I was in bad condition, with a severe attack of backache. I had kidney complaint and constant pains over my kidneys. I used Doan's Kidney Pills and found them an excellent remedy. I recommend them to kidney sufferers."
